Angel showed me sex heaven

"Finally I fired my salty bolt into her mouth. She swallowed every drop"

There's nothing I like more than getting my girlfriend to dress up for me and then fucking her senseless.

At least four times a week I make my horny bitch Angel dress for me and show me all of what she has to offer.

One Saturday last month it was my birthday and I went out to Birmingham and bought an outfit for us both.

I dressed my woman also in all black - black stockings, black suspenders, G-string and tight black sheer top.

At 7pm the night began. Slowly - drinking and just looking at each other - our minds began to run wild with anticipation, both knowing we were in for a hot erotic night.

I made Angel dance for me, twisting and turning her hot, sexy, dirty body. She stuck out her arse and opened her legs, slowly touching herself.

She was hot with anticipation, wondering when and how I would sink my tongue, fingers, face and black cock into her arse or cunt.

I then made her show me her cunt from all different angles, spreading her lips apart and touching her clit. Her fingers traced around it, teasing herself.

Her breathing became deeper and deeper as I told her to slip a finger up her cunt. She sighed with relief as she did so, her pussy becoming very wet.

I handed her two 12-inch dildos and ordered her to fuck herself all around the room with them.

I watched with pure excitement as she moved from one position to another, fucking herself first doggy-style and then standing up. She stuck the dildo on the coffee table and sat on it. She rode the

YOU BONKER!

A well-loved eighties classic that went on for far too long (people have said the same thing about *Razzle*), *Only Fools and Horses* is revitalised through a parody reboot by Bluebird Films. Three wheeler van? The Nag's Head? That episode where Del thinks a policewoman is a stripper? *Mais oui, mais oui*, it's all there. Stuffed full of stiff-making talent like Anna Lovato and Stacey Saran (*pictured left*), Gemma Massey (*top right*) and Stacey Lacey (*left*), Bluebird Films don't half Peckham! With nineteen girls and three hours long, it's a Delboy-style bargain too.

thick dildo until pure hot pussy juices flowed down the dildo as if she'd pissed on it.

She then stuck her finger up her cunt and brought it to her mouth. She loves tasting and smelling her pussy.

Then I gave her the vibrator and told her to stick it up her arse. She knelt down with her arse facing me and stuck it right up her lovely arsehole.

I stroked my by now fully erect cock as I watched her, imagining my cock being up her tight tunnel.

She lay back and took the dildo fully up her arse, ramming it in and out as she fingered her cunt at the same time. I walked over and stuck my dick in her mouth.

There she was arse fucking, cunt fucking and cock sucking at the same time. What a horny, hot, sexy bitch! I worked my cock deep into her mouth as she brought herself off. I talked dirty to her as I listened to her moan.

I leaned over her and slipped the other dildo into her cunt, so she had one in the arse and one in the cunt. I know that is her absolute favourite thing.

I rammed her cunt while she rammed her arse, screaming and swearing. As she was about to cum I flipped her round and sunk my cock into her doggy-style.

I grabbed hold of the belt around her waist and forced her back and onto my cock, slapping her arse.

I pulled out mid-thrust and buried my face right into her pussy, licking up every drop of her love juice.

Then I took her upstairs and chained her to the bed. I spent the rest of the night 69ing her, eating out her pussy, fingering and fucking her doggy style.

I plunged deep into her cock and arse, twisting her hips for maximum penetration. I fucked her and fucked her, whipping her arse as she moaned, groaned and screamed.

Finally I fired my salty bolt deep in her cunt, pulling out to wank into her mouth. She swallowed every drop and then licked my cock clean.

Giddy up! The ride of my life

My name is Cassandra and I am a 21-year-old riding instructor. I want to tell you about the surprise my lover got last weekend.

They say that women are always randy when they've been out riding. I find this to be true, and seeing as I ride every day for my job, I am constantly on heat.

"I felt every ridge as I impaled myself to the hilt on his cock"

There is something about riding a horse that gets me going. The rubbing sensation of the saddle and the movement of the horse makes me really wet and horny.

Well I had been riding all afternoon while my husband was at work. My pussy really ached and I couldn't wait to get back home to abuse my lover.

I got home before him and sat around waiting. I was desperate for him to come home so I could jump on him. Every minute that passed by seemed to take ages, and every minute my pussy needed filling more.

I thought about getting my favourite dildo out and bringing myself off with it. Then I decided nothing less than a real, hot, rigid cock would do.

When my boyfriend did arrive home he was tired and grumpy after his day's work. But I was having none of it – I was prepared to rape him if necessary!

I immediately dropped a few hints and my body language clearly suggested I was well up for a fuck. Still he wasn't responding to my advances.

I wasn't interested in foreplay, the only thing that

WorldMags.net

would satisfy me would be the feel of a large hard cock inside me, stretching my pussy.

I bent over in front of him and pulled my jodhpurs down. He could see I had no underwear on and that my pussy was drenched. It glistened with juices.

That was when he became interested. He hastily took his overalls off and bent me over. I felt his lovely soft hands part my bum cheeks and braced myself for his hard cock penetrating me.

That's when I felt his tongue run over my cunt lips, seeking out my aching hard clit. Normally this sends me to heaven, but this time I needed instant relief.

I pushed him to the floor and looked down as I impaled myself to the hilt on his enormous cock. I could feel every ridge and vein as it plunged in and out of me.

I knew I wouldn't last long and I felt a powerful climax building up inside me. As I felt myself start to cum he tried to turn me over onto my back.

Well I just pinned him down and rode him like a maniac. He'd have his fun just as soon as I'd finished with him!

As I pushed down on him one final time I felt my orgasm rising from my pussy and taking over my entire body. I gripped him hard as my whole body shook.

As I bucked and yelled I felt my juices gushing out all over him, soaking his cock, balls and stomach.

Then I felt his body tense and I knew he was about to cum. I just had enough time to climb off him and get his cock into my mouth before he came.

He spunked buckets. His creamy cum filled my mouth, nearly gagging me. I swallowed quickly, but not before it started to run out over my chin. I at the drips of a curled finger.

With a satisfied smile on my face I looked down at my lover, already looking forward to my next riding lesson.

Jim says, "She'd better after I've spent out. And that vacuum cleaner had better work better now."

TRUE CON

BOYFRIEND MIKE IS ONE YEAR OLDER. BUT HIS RANDY MISSUS IS GETTING BOLDER...

What's the sexiest present I could give him? That's what I thought as Mick's birthday approached. I'd been racking my brain for weeks before it hit me; he loves porn (and he's not very good at hiding those files on his computer) and he loves me (at least, he seems to have enjoyed shagging me at least three times a week for the last five years), so surely the obvious present had to be a new porno... Starring me.

The whole concept may have been a great idea but it's easier said than done, though, actually making one. I mean, you can hardly approach your sister or friend and ask to borrow their hubby, because I need to fuck someone on film? I know that it may be every bloke's fantasy to see his bird getting stuffed by someone else, but it might not be such a turn on if it's turned into reality.

After a while, a thought occurred to me: I could hire a prostitute and film myself in a filthy lesbian scene – he'd be bound to get off on that. And it'd be a new experience for me, which is always an exciting prospect!

I looked through the local paper's classifieds and found one of those 'visiting masseurs' who offer herbal Viagra as part of the service – just a little bit of a giveaway. I rang the number and put my proposal to the woman who answered. She didn't miss a beat, just quoted a price and asked if I wanted her to bring along a friend to do the videoing. That didn't add much to the cost so I thought I should go for it, and we set the whole thing up there and then, for the following night, when Mick was at his weekly five-a-side match. Easy!

I was a bit nervous when they came round, though they both seemed nice enough girls. And once we go down to it my nerves disappeared, funnily enough! Although it took us most of the evening to film (good job I knew Mick would be going to the pub afterwards, for the rest of the night!), we ended up with about 45 minutes of footage and I found the evening an eye-opener, to put it mildly!

On his birthday, I left the DVD on the table so that he could see the cover I'd made which read, "Happy Birthday Mick!" I made him wait, however, then, after tea I sent him through to the front room to put the disc in, while I rushed upstairs to get ready. I chose a pair of fishnet stockings, red high-heeled shoes, red and black suspender belt, tiny scarlet knickers and a scarlet peep-hole bra. Mick's tastes are not sophisticated.

Dressed like a slut, I quietly went down the stairs and peered into the front room. The film was already playing, and so was he – he'd got

his dick out and was stroking away as he watched my screen-self on the sofa with my arse in the air and a blonde woman in a body stocking with her tongue stuck up my crevice.

"Is she a new porn actress?" I asked, sliding next to him on the settee and running my hands up and down his cock. Instead of answering, he lifted his arse off the settee and pulled down his trousers and boxers, kicking them across the room.

Lying back, he watched the screen as I cradled his balls and took the end of his dick into my mouth. I wasn't too vigorous with the blow job, as I didn't want him shooting his load before the DVD finished. But he seemed quite content with the leisurely pace as I gripped his shaft with one hand and lowered and raised my mouth over his helmet.

I took the opportunity to watch my handiwork on the TV screen as I blew him. I did look shameless. After the blonde woman had finished licking and kissing my buttocks, she took a bottle of lubricating fluid and smeared it all over my fanny. I do mean all over, too – not just the outside, but in each fold of my lips and way inside to. When she'd finished I was glistening and gleaming, my pussy almost as scarlet as my tiny scarlet knickers, which I now realised were beginning to get very wet again.

Mick's cock twitched as the sexy blonde put two fingers up my snatch, then three, then four. At first she simply moved them in and out – finger-fucking on a grand scale – then she slipped her thumb inside as well, and started to rotate her whole hand backwards and forwards.

"That felt so good," I told him, temporarily taking my mouth away from his cock. "It nearly made me come as soon as she did it." He pushed my head back down so I resumed sucking him, while on-screen the blonde took the biggest dildo you've ever seen and started to push it past my distended lips. Watching it, I could almost relive the feeling of fullness it had given me. Once it was firmly in place, she reached for my clitoris and began flicking it between the thumb and middle finger of one hand while continuing to use the other to power the dildo as it fucked me.

My cunt lips bulged tremendously and lubricant dribbled everywhere, and Mick's cock was dribbling copiously in my mouth as we watched. His sticky pre-come showed no sign of slowing down as the blonde withdrew the dildo and climbed on top of me for a very wet 69. The camera zoomed in on both ends as we tongued each other's cunts, and I could tell Mick was having problems trying not to come.

I had no such problems on the video and came very noisily, my pussy writhing against the other woman's face. Mick's balls were starting to retract into his abdomen as this was going on – a sign I recognised, meaning he was about to cum. But I didn't want him to do that just yet, so I squeezed the tip of his penis until he calmed down a bit. "Watch this instead," I said.

On-screen I reached under the settee and pulled out a strap-on dildo which I fastened round my waist. The blonde woman got on the floor on her hands and knees and I positioned myself behind her.

"Oh my God," said Mick as I started to fuck her doggy style and reach round to wank her clit as I humped away. "Guess what," I said, reaching under the settee. "It's still here. And I think I might use it on you in a minute. Happy birthday, Mick." That pushed him right over the edge and his cock started to pump spunk. I grabbed hold of it and flicked my tongue around his swollen glans.

I think he enjoyed that home-made porn tape. He certainly enjoyed it when I used the strap-on on him later on. In fact, he said it was the best birthday he'd ever had!

Filled, thrilled, spilled over

Having been out with blokes who were into spanking and S&M and stuff like that, I've got really into it over the years.

Then I started seeing my current boyfriend and he proved the complete opposite.

Tony was so normal it was frightening, and every time I suggested something kinky, he always refused.

I was just starting to get bored of him when he finally confessed there was something he wanted, but he'd always been too shy to suggest it.

"I want to watch you getting fucked by a couple of guys," he said sheepishly. "Then join in and wank off all over you."

This was much more like it and I agreed in an instant.

"Why stop at two guys? Why not see me fucked by half a dozen?" I suggested, and he wanked all over me as I described the scene to him.

That night we drove out to a notorious stretch of woodland and found several guys loitering around watching couples in cars.

We turned on the light to attract their attention and Tony managed to round up four willing volunteers.

The first pulled his hard cock out and told me to get started on that.

I glanced over at Tony and saw he was watching expectantly, then sunk my mouth over it.

The others were quickly joined in, pulling their cocks out and standing around me so that I was encircled on all sides by stiff dicks.

I wanked, sucked and licked each in turn, spoilt for choice and unable to settle on one particular cock.

The guys took charge of the situation and passed me around, each holding my head and fucking their dicks in and

one in my pussy, I took the two remaining cocks and pulled them close so that I could suck them all off.

"Oh fuck I'm going to cum!" said the bloke in my left hand, and closed my mouth over his shaft as it erupted all down my throat.

"I'll swallow all of your cum," I told them, hovering my mouth over two more cocks as they wanked into my face.

The guys started pulling on their dicks like they were going for a world record and spunk splashed across my outstretched tongue and face as they started to cum.

I'd just gulped down one load and was licking up the excess from my lips when the next came all over my mouth.

He stuffed his dick to the back of my throat as he took his turn draining his swollen balls in my face.

I'd never drank from five cocks before, but was determined not to miss this opportunity, so when I felt the bloke in my cunt tense up behind me I told him to stick it in my mouth.

I wolfed his load down and looked for the fifth and final cock.

Tony stood in front of me and wanked his cock furiously.

I knelt in front of him with my head back and my mouth wide open, and a few seconds later he exploded all over my tonsils.

I closed my mouth around his cock, gulped as he pumped his salty load into my belly, then sighed with satisfaction and licked my lips. I had truly had my fill of man fat.

I love it when guys offer you drinks all night!

Shyla is certainly not a shy one. The frisky Faversham fuck-bunny delights in displaying her dooberry to her boyfriend's mates. "They're all total pervs and love seeing my man's cock slide up my hole. I think they're jealous (*Err... not half –Ed*) and want to fuck me too but I just love showing off. Like right now!"

JULIA JONES'S MONTHLY REVIEW OF THE BEST SEX TOYS AND KINKIEST BEDROOM AIDS

leg avenue sexy lace dress

It's that time of year when most women like to get out their hot water bottles, fluffy slippers and towelling robes. Not me! I'm all for whacking up the heating, stripping down and working up a sweat to warm up these cold nights. And, what better way to get in the mood than a sexy chemise! This one to me just screams 'Fuck me, now!' Just be sure it doesn't get ripped when being torn off you – you'll want to wear it again. It's gorgeous.

sin five flow silicone vibrator

Every now and then a new product comes on the market like none before. Not an easy achievement – just think how many times Jessica Rabbit has had a make over. The Sin Five is a first for me (again, another rarity). You can manipulate it as you please by twisting, bending and shaping. If only you could do the same with your bloke, I hear you scream! It comes with a bullet vibe that you wrap the silicone around to create a rabbit-style stimulator, simultaneous vaginal and clitoral stimulation, a G-spot vibe, double penetration or a simple straight vibrator. Good, huh?

Available from www.sextoys.co.uk £44.99

official fifty shades of grey range

Well, it was always going to happen, wasn't it? You can almost taste the sweat involved trying to get this banged out in time for Christmas. Yes, it's the official range of Fifty Shades of Grey sex toys. Developed in association with E.L. James, Lovehoney got the gig and good on 'em. Every item is sent with a luxurious storage bag and comes with suggestions for use and tips on introducing the items into a relationship. There is everything from beads and whips to paddles and cuffs. The only problem you'll have is deciding what to pick!

"This range is what I always imagined while I was writing Fifty Shades of Grey," says E.L. James. (I thought it was the massive cheque!) "I'm so excited that the toys I described in the books have come to life and can now be enjoyed around the world."

Distributed exclusively by Lovehoney: products range between £10-£40

doc johnson wonder land kinky kat

THE WORLD OF WONDERLAND IS FULL OF EROTIC SURPRISES AND SATISFYING DELIGHTS. LET THESE STORYBOOK CHARACTERS TAKE YOU ON AN INCREDIBLE ADVENTURE THROUGH THE LOOKING GLASS AND BEYOND. ALL FIVE PLEASURE PRODUCTS ARE MADE OF BODY SAFE SILICONE, OFFERING 10 INTENSE FUNCTIONS, PUSH BUTTON CONTROLS, AND A WATERPROOF DESIGN. YOU CAN TAKE THE FANTASY WITH YOU, WHEREVER YOU MAY GO.

I'm always a bit wary of shoving animals inside any of my holes – unless it's a rugby player in my gob of course. It looks like something you'd get from Hamleys, rather than a sex toy store – not too much of a turn on, but that's just me. Made from silicone and waterproof too, it has three speeds and seven different patterns of vibrations. If a grinning cat is a pussy too far for you, you can try one of the other four Wonderland vibes. If you prefer a smaller vibe, one of the other Wonderlands will be sure to have you grinning like a Cheshire cunt.

Since moving to the countryside from the city, my husband James and I have enjoyed a much more relaxed, less stressful life. It took a while to adapt – mainly because the pace of life is so much slower – but now that we have, we both love it. Because of my husband's success, I have been lucky enough to stop working – I volunteer now a few days a week, but I also have more leisure time and as a result my sex life has really revved up.

James is 10 years older than me and while I love him dearly, he is now well into middle-age and no longer able to keep up with me sexually, bless him. While he does his best to fuck me a couple of times a week it nearly kills him, and I still find myself needing more. Thankfully, however, since we relocated I've found plenty of men in the surrounding area willing to satisfy my physical needs. I'm very lucky, unlike a lot of undersexed housewives, in that James understands and is not bothered whom I fuck, as long as I take the normal precautions – and don't get too attached. Over the past few months, however, I have developed an interest in the younger, physically fitter type of bloke. To be a little bit more precise, ever since I met a gorgeously fit lad called Dexter recently, which reassured me that I can still pull a looker, I have focused all my efforts on pulling hot young blokes to have my wicked way with. I think it's all about confidence; I may have three children but I've realised that men still seem to find me quite attractive. Not that I don't work at it – my boobs are perky and my body toned and trim because I work out every day in the gym, trying to hold back the signs of aging!

"There are plenty of local men willing to satisfy my physical needs"

Anyway, back to Dex, the young bloke who kicked off my preference for younger men. James had taken the kids to their gran's for the weekend, and, since his mother and I don't get on, I'd stayed back at home. My plans were unexciting, just housework and telly. However, that was before my washing machine stopped

working! I called the hotline, expecting them to tell me I'd have to wait for a few days to have it mended, but was delighted when I was informed that someone would be with me the following day.

Dex arrived on my doorstep at an ungodly early hour the next morning. I had been expecting someone later in the day so I was still not dressed and was slightly embarrassed about answering the door in my robe. When I saw how fit his young body was through his overalls I couldn't help smiling to myself, and as he examined the washer. I stood by the kitchen table, watching him work and making small talk. I could tell he was checking me out too, so after a while I took the bull by the horns and allowed my dressing gown to fall open, just slightly. I made some joke about him being out of order, knocking a woman up so early and catching me before I had time to dress. Dex didn't bat an eyelid – he simply remarked that he was coming to the conclusion he was very fortunate to have decided to make my call-out the first of the day.

Encouraged by this, I shrugged my dressing gown off to reveal my sexy negligee, and placed it over the back of a chair. Dex, forgetting the washing machine, moved in close to me, pressing his already hard cock against me and cheekily grabbing my arse and pulling it to him, forcing me to press back. I kissed him full on the lips and he responded, kissing me awkwardly but with passion, his tongue easing its way into my mouth.

Reassured by his response, I pulled my flimsy silk nightdress off over my head. That gave him a bit of a turn! His startled eyes stared at my naked figure, taking in every bit of me. I could easily tell the effect I was having on him from the increasing bulge in the crotch of his overalls, so I pulled the zip open and tugged them back off his shoulders while his hands groped my body, making my pussy moisten instantly.

Tugging his overalls down over his buttocks – and his boxers along with them – I released his straining tool and, impressed by its huge girth, massaged it to rock-hardness. Sinking into a squat so I was in a position to suck on his large cock. It was incredibly hard now, just perfect

for my purposes, and I licked my lips in anticipation and to moisten them in preparation for the treat in store.

Wrapping my lips around his helmet, savouring every moment, I flicked my tongue over its glistening surface. Dex kept repeating, "I can't believe this," under his breath and he was literally shaking with excitement, but inexperienced as he was, he just held my head, pressing me into him, urging me to swallow more of his length.

It amused me to let him imagine he was in the driver's seat, so I sat back on my heels and kept slurping and sucking on his throbbing cock.

I was excited by Dex's size, and, relaxing my jaw, I grabbed his muscular arse-cheeks, squeezing them rhythmically as my head bobbed on his dick.

I love the taste of come, and sucking on his virile young dick made me impatient to have his thick cream gushing down my throat. I was getting ready to implement a few tricks to send him over the edge, when the cocky young stud suddenly withdrew his prick.

I looked at him in surprise, but when he began struggling out of his boxers I understood that he wanted to fuck me. Grinning boyishly, he asked me if he could shag me from behind. Looking at his big prick, all hard and twitching, I felt like I could refuse this young guy nothing. I ushered him into the living room and nodded towards my husband's big leather armchair, my pussy soaking as I led him towards it; wriggling my full hips seductively as I walked. Pulling the chair out from the wall I leaned over the back of it, settling myself comfortably into position and placing my palms on the seat. I wriggled in anticipation as I sensed Dex move up behind, and I parted my legs invitingly, dipping my back so my arse and pussy were presented to him.

He rubbed his hands appreciatively over my bum-cheeks and a quiver of expectation ran through my body as he slid his prick up and down the crack of my arse. I could feel his whole body trembling. He wasn't so cocksure now. So to speak. "Don't tease me," I joked with him, "Fuck me, or you can go back to my fixing my washer!"

"Looking at his big hard prick I felt like I could refuse this young guy nothing"

He seemed a bit taken aback at first, but laughed as he realised I was role-playing. "All right then, love," he said, barely controlling his laughter as a resounding smack landed on one of my bum-cheeks, making me giggle and dance on my toes. Steadying himself by gripping my hips, he rammed his cock between my legs, past my bumhole and straight into my self-lubricated pussy, reaming my fanny lips so ferociously that he made my spasming hole sprinkle my come over the root of his pumping dick.

Pausing and holding me steady, he waited for the tremors to fade before continuing to screw me. I didn't argue – I loved the feel of his prick thrusting into my slit and I slammed my arse back to meet it, increasing the force of each searing entry.

With his cock buried deep inside me, I gripped it tightly with my pussy muscles, while Dex reached forward and took one of my tits in each hand. Pulling me upright, he pinched hard on each nipple, causing me to climax a second time, my contracting fanny triggering his own ejaculation.

He came and came, his body jerking as he forced his spunk as deep inside me as he could. I glanced around and watched his muscular shoulders stiffen as, with one last all-or-nothing thrust, he jerked his final spurt of spunk into my satisfied pussy.

TRUE CON

WE'D ALL LIKE TO GIVE THE MISSUS A GAGGING ORDER, WOULDN'T WE?

After the honeymoon period is over in a relationship, the sex dries up, so they say. But Milo and I have been together for eight years and our sex life is still great.

Milo has always been more sexually adventurous than I am, constantly pushing the boundaries, plus he's had way more experience in the sack than me so he has almost always taken the lead. As Milo showed his dominant side, it didn't take me long to realise that I am most definitely submissive – I love it when he orders me about and makes me do something out of my comfort zone, or for the first time.

It all started as a bit of a piss-take, really. One day last year, I burned our dinner – well, cremated it, actually – and Milo, laughing, said I should be spanked and taught how to cook properly! The cheek of it! Especially when we both knew he could burn water! I have no idea why, but, feeling a bit stroppy now, I told him that if he felt that strongly about the whole thing, then he should put me across his knee. There was no hesitation on his part – playfully, he grabbed me and wrestled with me so I ended up lying face down across his knee. Then he gently tapped my bum. "Some punishment – I can't even feel that!" I laughed in spite of myself, so he pulled down my jeans and knickers and lightly slapped my bare skin. By now, I was so horny my pussy was frothing with sticky juices, which had slowly dribbled down my inner thigh.

"MY EFFORTS WERE REWARDED WITH A BIG LOAD OF SPUNK"

Milo noticed and told me I had obviously been so naughty that I must stand in the middle of the room with my hands on my head. He ordered me to stay completely still, and then had his way with me as I stood there. When I came, I simply couldn't stay still – my knees had gone weak – so after he'd shot his load all over my tits and made me lick it up, Milo told me that I'd have to do better next time, or I wouldn't get any treats like that again. I loved the idea that he was carrying this 'game' on, but after a while we found that the 'game' started to dominate – no pun intended – our sex life.

More recently, we've started experimenting with Milo tying me up and gagging me. The first time, Milo just tied my hands to the bedstead, but over the following months the bondage got more and more intense and kinky – so much so, that now I'm being tied up face down and spread-eagled on the bed, a gag and blindfold dulling my senses. Although he'll get harder and dirtier each time, we usually begin our sex session with Milo deciding that I need some

FESSIONS

discipline. At first he'll just give me a few hard spanks. I rarely learn my lesson from that, though, so I have to be blind-folded and gagged. Milo will then lead me to the bedroom.

The first time Milo left me there, face down, tied, blind, and unable to make a sound, to stew for what seemed like ages, all I could do was imagine what Milo had planned for me next. The anticipation was so horny!

When someone came back into the room, I couldn't even be sure it was Milo! All I knew was that someone was in there with me. I felt something cold lightly touch my back. It sent a thrill of excitement though me. What was it?

Minutes passed, then I felt a finger touch my inner thigh, close enough to my pussy to cause a little juicing up. It brushed away from my cunt, but I didn't allow my disappointment to show. I waited, then I felt the cold thing again as it was dragged over my bum cheeks.

More time passed, and I felt what I think was breath on my fanny. I could barely stop myself from trembling – but I had to or I knew Milo would make me wait longer, and I desperately wanted to feel his hard cock inside my aching snatch.

Suddenly, I felt the cold thing at the entrance to my cunt. Then, without warning, it was roughly thrust in. The relief of being filled, even with this ice cold thing, was enormous, and I found myself purring with pleasure. I could feel the entire freezing length inside me. It was thrust in and out a few times, but then the item was withdrawn. I was disappointed, as it had started to thrill me, but I hoped that it meant Milo was going to fuck me next.

Just as I was wondering what was next in store for me, a weight pressed down on my body, and I realised Milo was climbing on top of me. I felt the warmth of his prick finding its way into my now-chilled pussy., before ramming it in. Usually I'd be thrashing around, but being tied up in every way meant that I couldn't move, which was a bit frustrating but also the biggest turn-on. His cock hammered in and out of my gaping pussy, hard and fast. I couldn't move. Hell, with the gag in my mouth I couldn't even talk dirty! So I just lay there, enjoying my body being used!

I climaxed, and although I couldn't move my limbs, I could still use my pussy muscles so I clenched them tightly around his dick, relishing his moans and groans. I contracted them as hard as I could, then finally I felt Milo's rigid prick pulsate and my efforts were rewarded with a big load of spunk in my already sopping pussy.

Since then, I have taken to fantasising that Milo has brought a stranger, or even one of his friends, in to fuck me while I'm bound and blindfolded.

I don't know if we'll ever actually play that scenario out for real, but the thought of not even knowing if it did happen turns me on so much! Now I even find myself doing certain things wrong in front of Milo to ensure I get punished!

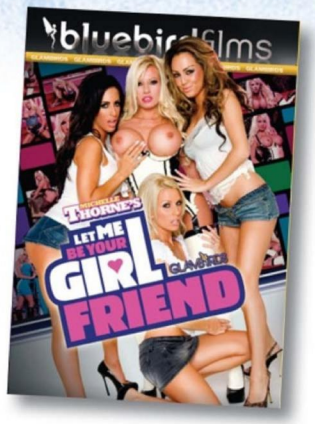
THE MUCKY MARQUEE NAMES THAT HAVE COCKS QUEUING UP...

Leading Ladies

Michelle Thorne's Let Me Be Your Girlfriend



Released by: Bluebird Films
Starring: Michelle Thorne, Gemma Massey, Kate Hunter, Kerry Louise, Lou Lou

BEST BITS: For 13 years, Michelle Thorne has been having some wild sex on camera. Although she's used to screwing many cocks at once, this DVD is a predominantly female affair, showing that our Thorney knows how to please a woman just as much as a man! And show us she does, taking on such babes as Gemma Massey, Kerry Louise, Anna Lovato, teaching them a thing or two, in the process. This feature may have lost a point or two being mainly lesbian, but Bluebird cleverly pull them back by introducing a brilliant boy-girl opener (the idea being that the MILF has a quickie with her man before going to work) and some hot POV action with the cameraman. Great blowjob technique, Michelle!

WORST BITS: If you're not totally crazy about her then the movie will soon become samey, and, dare we say, a tad boring?

DVD FEATURES: A cumshot recap and a few trailers.

4.5/5

McKenzie Magic

Released by: Bluebird Films
Starring: Linsey Dawn McKenzie, Hannah Shaw, Gemma Massey

BEST BITS: We remember Linsey Dawn (*centre right*) when she first appeared in the nation's filthiest daily newspaper, just before her 16th birthday, with the promise that she would reveal her massive mammaries upon coming of age. Which she did. Cue a long career built on said baps, dating footballers, gracing tabloids, appearing on chat shows, and now, finally, appearing in pornos. She's still only doing girl-girl though. In our opinion, the threesome between the headline girl, Anna Lovato and Gemma Massey is the best scene on offer: all three babes are obviously having a right laugh, and it brings something more to the tryst. We should also mention the grand finale – an 8-girl orgy featuring some serious talent!

WORST BITS: Linsey still looks great, but is one of those stars that look like they should be taking a fat cock up their arse. Just our opinion, of course...

DVD FEATURES: BTS, cumshot recaps, trailers.

Jesse Jane Online

Released by: Digital Playground
Starring: Jesse Jane, Shawna Lenee, Madelyn Marie

BEST BITS: You can't deny the incredible on-screen presence and pure star power that Jesse Jane has. She gives her all to every film she stars in, with both her acting and her fucking equally captivating. Her co-stars do manage to hold their own, however, with Madelyn Marie's encounter with British stud Danny Mountain being up there as one of the best scenes on the disc (helped by Jesse playing the voyeur!). The best scene, though, is the finale, which sees the bombshell meet her match in her stud, and the nastiest, most energetic sex ensues. Don't miss it!

WORST BITS: You get the feeling that the excellent cast were let down a bit by the flaky script. It is OK not to have one, you know, Digital Playground! Also, although the sex is hot, the second scene leaves a strange taste in the mouth as it has a slight rapey feel to it, which isn't helped by Jesse's character crying afterwards!

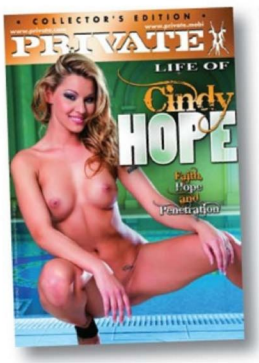
DVD FEATURES: An exceptional BTS: hilarious, candid and sexy!



The Private Life Of Cindy Hope

Released by: Private Movies
Starring: Cindy Hope, Eve Angel, Aletta Ocean

BEST BITS: Cindy Hope is one of the most beautiful women Europe has to offer, so seeing her taking on both sexes and winning makes her just that bit better! Every one of the six scenes on offer here include the Hungarian hottie, and all show her in a different scenario, whether it be our fave, the glory hole fuck with Nikky Rider, the outdoor lesbian threesome with the gorgeous Aletta Ocean and Eve Angel or the variation of a poolside romp which sees our Cindy glammed up to the nines being royally donked, before finally getting a spunk shower.

WORST BITS: There are two lesbo threesomes, but no simple girl-on-girl duos. Also, it's a compilation.
